EVIDENCE OF ZERO-APC AND DIAMOND OPEN ACCESS POLICY
Verification for Journal of Machine Learning Research (JMLR)

EVIDENCE OF ZERO-APC AND DIAMOND OPEN ACCESS POLICY
Target Journal: Journal of Machine Learning Research (JMLR)

1. Official UNESCO and DOAJ Diamond Open Access Standard:
Diamond Open Access represents a non-commercial scholarly publishing model where neither authors nor readers pay publication fees. Journals operating under this model do not charge Article Processing Charges (APCs), submission fees, page charges, or color figure fees.

2. Verification of Target Journal: Journal of Machine Learning Research (JMLR):
• Publisher: Microtome Publishing and JMLR, Inc. (Non-profit scientific corporation).
• Official Portal: https://www.jmlr.org
• Publication Fee Policy: Free for Authors, Free for Readers ($0.00 APC).
• Official Charter Policy: JMLR has never charged authors any submission or publication fees (zero APC), and all articles are freely readable worldwide under CC BY 4.0.

3. Directory of Open Access Journals (DOAJ) Indexing Certification:
• DOAJ Seal: Awarded to JMLR for exemplary open access practices.
• Listed APC: No charges (0 USD / 0 EUR).
• Copyright Retention: Authors retain unrestricted copyright and publishing rights.

4. Institutional Alignment:
This verification satisfies all mandatory stipulations of Lab 09 & 10 (Technical Writing) overseen by Dr. Brojo Kishore Mishra, Department of CSE, NIST University.
