Sample List

Diamond OA Journal list for Computer Science

A. Artificial Intelligence, Machine Learning, Data Science and NLP

No.	Journal	Relevant research areas	Official website
1	Journal of Machine Learning Research (JMLR)	Machine Learning, Deep Learning, AI	Website
2	Transactions on Machine Learning Research (TMLR)	ML, Deep Learning, Learning Algorithms	Website
3	The Journal of Artificial Intelligence Research (JAIR)	Artificial Intelligence, ML, Intelligent Systems	Website
4	Transactions of the Association for Computational Linguistics	NLP, Computational Linguistics, Language Models	Website
5	Computational Linguistics	NLP, Language Processing, Text Mining	Website
6	Big Data Mining and Analytics	Big Data, Data Mining, Data Science, AI	Website
7	Data Science and Management	Data Analytics, Data Science, Decision Support	Website
8	Journal of Data Science	Statistical Learning, Data Analytics, Data Mining	Website
9	Inteligencia Artificial	Artificial Intelligence, Knowledge Representation, ML	Website
10	Visual Intelligence	Computer Vision, Image Processing, AI	Website
11	Intelligent Computing	AI, Intelligent Systems, Computational Methods	Website
12	Human-Centric Intelligent Systems	Human-Centred AI, Intelligent Systems, HCI	Website

B. Software Engineering, Programming and Computer Systems

No.	Journal	Relevant research areas	Official website
13	Journal of Object Technology	Object-Oriented Programming, Software Engineering	Website
14	Journal of Universal Computer Science	General Computer Science, Software, Algorithms	Website
15	e-Informatica Software Engineering Journal	Software Engineering, Software Testing, Development	Website
16	Applied Computing and Informatics	Applied Computing, AI, Information Systems	Website
17	High-Confidence Computing	Reliable Computing, AI, Computer Systems	Website
18	Autonomous Intelligent Systems	Autonomous Systems, Robotics, AI	Website
19	Supercomputing Frontiers and Innovations	High-Performance Computing, Parallel Computing	Website
20	Complex Systems Informatics and Modeling Quarterly	Systems Modelling, Informatics, Computational Methods	Website
21	Enterprise Modelling and Information Systems Architectures	Enterprise Systems, Software Architecture, Modelling	Website
22	Journal of Functional Programming	Programming Languages, Functional Programming	Website

C. Cybersecurity, Networks and Computer Architecture

No.	Journal	Relevant research areas	Official website
23	Transactions on Cryptographic Hardware and Embedded Systems	Cryptography, Hardware Security, Embedded Systems	Website
24	IACR Transactions on Symmetric Cryptology	Cryptography, Encryption, Security Algorithms	Website
25	Intelligent and Converged Networks	Communication Networks, Intelligent Networks, AI	Website
26	Digital Communications and Networks	Computer Networks, Communication Systems, Security	Website
27	EAI Endorsed Transactions on Industrial Networks and Intelligent Systems	Industrial IoT, Intelligent Networks, Cyber-Physical Systems	Website
28	Journal of Edge Computing	Edge Computing, Distributed Systems, IoT	Website
29	International Journal of Crowd Science	Crowd Computing, Distributed Intelligence, Data Analysis	Website
30	Journal of Social Computing	Social Computing, Computational Intelligence, Networks	Website

D. Algorithms, Computational Mathematics and Image Processing

No.	Journal	Relevant research areas	Official website
31	Theory of Computing	Algorithms, Computational Complexity, Theory	Website
32	TheoretiCS	Theoretical Computer Science, Algorithms	Website
33	Logical Methods in Computer Science	Formal Methods, Logic, Computer Science Theory	Website
34	Discrete Mathematics and Theoretical Computer Science	Algorithms, Graph Theory, Discrete Mathematics	Website
35	Journal of Graph Algorithms and Applications	Graph Algorithms, Computational Graph Theory	Website
36	Journal of Computational Geometry	Computational Geometry, Algorithms	Website
37	Journal of Statistical Software	Statistical Computing, Data Science, Software	Website
38	Image Processing On Line	Image Processing, Computer Vision, Algorithms	Website
39	Fuzzy Information and Engineering	Fuzzy Logic, Uncertainty, Intelligent Computing	Website
40	Computational Visual Media	Computer Vision, Visual Computing, Graphics	Website

E. Additional applied computing and interdisciplinary journals

These are useful for papers involving computing applications in other domains.

No.	Journal	Relevant research areas	Official website
41	Acta Informatica Pragensia	Applied Informatics, Information Systems, Data Science	Website
42	Journal of Information Systems Engineering and Business Intelligence	Information Systems, Business Intelligence, Analytics	Website
43	International Journal of Computing and Digital Systems	Computing, Digital Systems, AI, Software	Website
44	JOIV: International Journal on Informatics Visualization	Informatics, Visualisation, Computer Science	Website
45	International Journal of Data and Network Science	Data Science, Network Science, Analytics	Website
46	International Journal of Prognostics and Health Management	Predictive Analytics, AI, Fault Diagnosis, RUL	Website
47	Journal of Big Data and Artificial Intelligence	Big Data, AI, Data Analytics	Website
48	Journal of Data- and Knowledge-integrated Simulation Science	Knowledge Extraction, ML, Simulation, Data Science	Website

F. IoT and Cloud Computing

No.	Journal	Relevant research topics	Official website
1	Journal of King Abdulaziz University: Computing and Information Technology Sciences	IoT, Cloud Computing, AI, Data Science, Cybersecurity	Official website
2	Journal of Edge Computing	Edge/Fog Computing, IoT, Distributed Systems	Official website
3	Journal of Internet Services and Applications	Cloud Services, Distributed Applications, Internet Technologies	Official website
4	Periodica Polytechnica Electrical Engineering and Computer Science	IoT, Wearable Devices, Communication Networks, Computer Science	Official website
5	Works in Progress in Embedded Computing Journal (WiPiEC)	Embedded Systems, IoT, Cyber-Physical Systems, Edge Computing	Official website
6	Intelligent and Converged Networks	Intelligent Networks, IoT Communication, Network Technologies	Official website
7	EAI Endorsed Transactions on Industrial Networks and Intelligent Systems	Industrial IoT, Smart Networks, Cyber-Physical Systems	Official website
8	EDGELINK: Nusantara Journal of Internet of Things and Embedded Systems	IoT, Wireless Sensor Networks, Embedded Systems, Edge Intelligence	Official website
9	Applied Computing and Informatics	Applied Computing, Cloud Applications, Information Systems, AI	Official website
10	Journal of Universal Computer Science	Distributed Computing, Computer Systems, Software, Computing Methods	Official website
11	Acta Informatica Pragensia	Applied Informatics, Information Systems, Data Analytics	Official website
12	Transactions on Graph Data and Knowledge (TGDK)	Distributed Data, Knowledge Graphs, Data Integration, Semantic Web	Official website
